Due September 26th, 2012

------------------

Read Chapter 3
Suggested as always to go through review questions (nothing to be handed in).

------------------

Solve the following problems in the book:
  3.1, 3.2, 3.5, 3.7, 3.10, 3.12 (2 points).

Due at the next class as a hard copy to be handed in.

- Handwritten or typed is fine
- Be precise with your answers (we are not interested in reading lengthy explanations 😊)
