Due October 17th, 2012

-------------------

Read Chapter 10,

Prepare for MidTerm on 10/17. Midterm will be approximately 50 mins. Covers Chapters 1, 2, 3, 4, 9, 10.

Suggested as always to go through review questions (nothing to be handed in).

-------------------

Solve the following problems in the book:

10.1 4 points
10.3 a-d 4 points

Due at the next class as a hard copy to be handed in.

- Handwritten or typed is fine
- Be precise with your answers (we are not interested in reading lengthy explanations 😊)
