Objective

Find an Internship.

Education

2016–today	**4th year of engineering school at INSA Rouen Mathematical Engineering.** I am studying applied mathematics and computer science.
2015	Admission to the engineering school INSA Rouen mathematical engineering.
2013–2015	Preparatory classes for engineering schools Lycee aristide briand evreux
2013	Science Baccaleaureat

Professional Experience

18 Jun - 3 Sept 2016	**Technician internship to Department of Mathematics and Statistics, University of Limerick in Ireland.** I studied a mathematical model for strongly nonlinear internal waves. I studied solitary-wave solutions, i used mathematica to draw the solutions both analytically and numerically and i made a comparison between these solutions.
june 2011 / 2012	Seasonal Worker Market gardener Company GAEC Doucet to Brionne.

Computer skills

Software	Mathematica ,Matlab, LibreOffice, Latex
Programming	C,C++,Java,Bash,HTML-CSS

Languages

French	Mother tongue
English	Fluent
